Beautiful Meghalaya

'Adventure, Camp, Trek, WaterFalls - The Abode of Clouds'

Group Tour Promotion

About Meghalaya

Meghalaya, 'Abode of Clouds', is known for its serenity and tranquillity. A major section of the state consists of dense forests which preserves the vast biodiversity of region. The lush green state, encompassing the Garo, Khasi and Jaintia hills, offers ample opportunity of great treks and walks...

Weather and Climate

Planning Meghalaya holiday in summer offers an ideal escape from the scorching heat. The temperature in many parts of the state never goes beyond 28°C. Mornings are as pleasant as evenings. Many regional festivals are also conducted during the months of April to June. Thus, summer is the best season to visit Meghalaya.

Shopping in Meghalaya

Majority of the population of this state consists of tribes which are expert in making amazing handicrafts. The markets are lined with shops offering a variety of handicrafts such as cane mats, cane baskets, carpets, pineapple fiber articles, silk fabric, tribal jewellery and bamboo and cane objects.

Cuisine

The people of Meghalaya are more tilted towards meat, especially pork. It is an ingredient of most of their dishes. Don't forget to try out Jadoh, a delicious dish made of meat and rice. Also try Kyat which is a local brew of the state.

"Only those who will risk going too far can possibly find out how far they can go."
