MAURITIUS HONEYMOON PACKAGE

"Your honeymoon tells the world--and maybe you--who you are"

Mauritius – Climate: Mark Twain once wrote, 'Mauritius was made first and then heaven, heaven being copied after Mauritius'. He was right. Tropical, modified by southeast trade winds; warm, dry winter (May to November); hot, wet, humid summer (November to May); Natural hazards: tropical cyclones (November to April), most cyclones usually occur from the end of December until March. Mauritius has only two seasons, winter and summer. There is not much temperature difference between the two seasons of the year. The climate on the central plateau is cooler than on the coastal areas.
