## WHAT IS EDUCATIONAL TRAVEL?

A lot of people think that Educational Travel is just a fancy name for a sightseeing tour. But nothing could be further from the truth.

True Educational Travel is a carefully planned combination of tours, site visits and hands-on learning opportunities, built around clear learning objectives.

Actually see and enrich their knowledge of places and works of art they've learned about in the classroom.

Gain a deeper understanding of history and culture than a book can ever convey.

Get the chance to try out the languages they've studied with native speakers.

Build independence and confidence as they explore new places and local customs.

As a leader in quality educational travel, Tour de India Holidays has built a reputation for providing thoughtfully designed trips that deliver all of the above and then some. Learn more about "what makes Tour de India Holidays different and be sure to be end with Smile"
